

CURRICULUM VITAE

General Biographical Information

1. Name: **Rahul Sheth**
2. Nationality: Indian
3. Education:
 - a. Undergraduate Education:

T.N. Medical College, Mumbai, India – M.B.B.S., 1995

T.N. Medical College, Mumbai, India – Rotating Internship, 1996-97
 - b. Postgraduate Training:

Seth G.S. Medical College and K.E.M. Hospital, Mumbai, India,

D.M.R.D, 1998 – 2001, First Class

D.N.B., 2001 – 2003

Honors or Awards
M.B.B.S. – First Class
4. Consultant Interventional Radiologist at
 - Breach Candy Hospital
 - Lilavati Hospital
 - Saifee Hospital
 - Joy Hospital
 - Fortis Hospitals (Mulund, Vashi, Raheja Mahim)
 - Cumballa Hill Hospital
 - Prince Aly Khan Hospital
 - Bhartiya Arogya Nidhi Hospital
 - BSES Hospital
 - Curie Manavata Cancer Centre, Nasik
 - Hiranandani Hospital
 - Jupiter Hospital
5. Super-speciality training:
 - Fenestrated aortic stent graft training undertaken in King's Hospital, Melbourne in February 2008.
 - Proctor for Zenith Aortic stent grafts in India and South East Asia
6. Other non-academic positions:

Chief Medical Officer, Rural Health Services Program, Nasik, Maharashtra, India
August 1997 - July 1998

7. Proctored and performed endovascular aortic stent grafting in:

Singapore (Tan Tock Seng, National University Hospital, Mount Elizabeth, Alexandra Hospitals);

Thailand (Siriraj Hospital, Bangkok, Maharaj Nakorn Hospital, Chiang Mai),

Malaysia (Kuala Lumpur General Hospital),

Indonesia (Jakarta)

Research and Publishing

A. Publications:

1. Published in indexed journals:

- a. Sheth R, Hanchate V, Rathod K, Ahmed I, Deshmukh H, Chaubal N. Aneurysms of the inferior vena cava. Australas Radiol. 2003 Mar; 47(1): 94-6.
- b. Hanchate V, Garg A, Sheth R, Rao J, Jadhav PJ, Karayil D. Transvaginal sonographic diagnosis of live monozygotic twin ectopic pregnancy. J Clin Ultrasound. 2002 Jan; 30(1): 52-6.
- c. Kale HA, Rathod KR, Prasad SR, Madiwale CM, Sheth RJ. Mandibular haemophilic pseudotumour containing a fluid-fluid level. Br J Radiol. 2001 Feb; 74(878): 186-8.
- d. Rathod K, Sheth R, Shah P, Rege S. Active contrast extravasation in spontaneous rupture of hepatocellular carcinoma: a rare CT finding. J Postgrad Med. 2000 Jan-Mar; 46(1): 35-6
- e. Hemant L. Deshmukh, Krantikumar R. Rathod, Rahul J. Sheth, Ashwin Garg "Fatal Aortic Rupture Complicating Stent Plasty in a case of Aortoarteritis" Cardiovasc Intervent Radiol. 2003 Sep-Oct; 26(5): 496-8.
- f. Hemant Deshmukh, Krantikumar Rathod, Ashwin Garg, Rahul Sheth Ruptured mycotic pulmonary artery pseudoaneurysm: Transcatheter embolization and CT assessment Cardiovascular Interventional Radiology Online First 21Nov. 2003
- g. K.Rathod, R.Sheth, G.Chavan, A.Asrani, A.Raut. Hemoperitoneum complicating snake bite: rare CT features: Abdominal Imaging 2003 Nov; 28 (6): 820-21
- h. Deshmukh H, Rathod K, Garg A, Sheth R, Kulkarni S. Transcatheter

embolization as primary treatment for visceral pseudoaneurysms in pancreatitis: Clinical outcome and imaging follow up. Indian J Gastroenterol 2004; 23:56-58

- i. Sheth R, Someshwar V, Warawdekar G. Percutaneous retrieval of misplaced intravascular foreign objects with the dormia basket: An effective solution: Cardiovasc Interv Radiol Epub accepted.
- j. Sheth R, Someshwar V, Warawdekar G. Treatment of acute lower gastrointestinal hemorrhage by transcatheter superselective embolisation: Indian journal of Gastroenterology

Teaching and Lectures

A. Non-didactic teaching:

1. Resident training:
 - a. Clinics held for junior residents, once a week over a two-year period in diagnostic and interventional radiology in K.E.M Hospital, Mumbai
2. Clinical Fellow training:
 - a. Conducted fellowship training in interventional radiology in K.E.M. Hospital, Mumbai

B. Lectures:

1. International:

- a. Faculty at Singapore Live 2011- Delivered a lecture on Update on Superficial femoral artery trials.
- b. Faculty in Update on Aortic Aneurysms- NUH Hospital, Singapore, 2011- Lecture on Chimney technique for Aortic aneurysms.
- c. Faculty in Singapore Live, 2010- Delivered a lecture on Aortic aneurysms
- d. Faculty in AOCR- Taipei, Taiwan, 2010- Lecture on Interventional Radiology in India
- e. Faculty at Singapore Live 2009- Delivered a lecture on Protection device in superficial femoral artery angioplasty/stenting
- f. Faculty at Aortic Surgery and Anaesthesia: How I do it. San Raffaeles, Milan, December 2008- East meets West: Interventional Radiology in India
- g. Faculty at Asia Pacific Society of Cardiovascular Interventional Radiology (APSCVIR) 2008, Kuala Lumpur, Malaysia: Delivered a lecture on
 - i. Iliac artery stenting

- ii. Role of cutting balloon in peripheral interventions.
- h. Faculty at Singapore Live 2008 - Delivered a lecture on Hybrid Technologies for aortic arch aneurysms
- i. Faculty at the ASVS 2007 - Shanghai, China
Was invited to talk on
 - i. Hybrid procedures for Aortic arch Aneurysms
 - ii. Type B aortic dissection: Is treatment justified
- j. Faculty at Singapore Live 2007 - Delivered a lecture on Tibial angioplasty
- k. Faculty at ASVS (Asian Vascular Society) 2006 - Kuala Lumpur, Malaysia
Chaired a session on iliac stenting.
- l. Vascular Interventional Conference held in Malaysia August 16 – 20th, 03
Topic: “Stent Grafts in the treatment of Iatrogenic and Traumatic Pseudoaneurysms”
- m. Poster presented at Conference held in Monaco in May 2001
Topic: “Embolization of Peripheral and Visceral Pseudoaneurysms”

2. National:

- a. Faculty at ISVIR 2011, Trivandrum, Kerala- Delivered a lecture on Endoleaks and their management in Aortic Aneurysm.
- b. Faculty in VSICON 2011, Mumbai- Lectures on Shortfall in Aortic aneurysm approach in India, and Newer devices for aortic aneurysms.
- c. Faculty in VSICON 2010, Mahabalipuram, Tamil Nadu- Trials in the superficial femoral artery and conducted a workshop for endovascular interventions
- d. Faculty at 1st APCVIC: New Delhi 2009: Epidemiology and Natural History of Peripheral Vascular Disease
- e. Guest Lecturer in Role of Interventional Radiology: Ludhiana 2008
Conference on Emerging Technologies in Medicine.
- f. ISVIR (Indian Society of Vascular and Interventional Radiology) 2001 – held in Mumbai, India in December 2001.
Topic: “Role of Stent Grafts in the treatment of Peripheral Pseudoaneurysms and Aneurysms”
- g. ISVIR (Indian Society of Vascular and Interventional Radiology) 2005 –9:
Invited faculty.
- h. Vascular Society of India: Invited faculty: 2006-2008.
- i. ISVIR/IRIA Mid term CME 2004- held in New Delhi, India. 2004.

Topic: Role of Uterine Artery Embolisation.

- j. IRIA National Conference, 2006: Chennai, India.
Topics: Interventional Radiology for beginners and Role of endovascular stent grafts in treatment of thoracic and abdominal aortic aneurysms.
- k. IMA National Conference, 2006: Chennai, India.
Topic: Endovascular Treatment of aortic aneurysms.

3. Regional:

- a. Regular faculty in CME's for IMA in Mumbai and Maharashtra from 2005-2011
- b. Vascular MSRA Conference held in Mumbai in Feb 2004 - Tata Hospital
Topic: Interventional Radiology in Peripheral Vascular Disease
- c. Radiology Education Foundation Conference held in Mumbai in 2005-09,2011: Guest Lecturer for Vascular and Non-vascular radiological Interventions

Medical training

A. General Radiology:

Department-wide - Two years of training in Radiology encompassing:

- Plain X-Rays
- IVPs / Bariums / Myelograms
- Ultrasound/Color Doppler
- CT Scan
- MRI

B. Specialty Clinical Responsibilities:

Three years extensive experience as Chief Resident in Interventional Radiology, K.E.M Hospital and independently performed:

- a. Diagnostic Procedures:
 - Angiograms/Venograms
 - Transjugular Liver Biopsies
 - Cerebral Angiograms
- b. Vascular Interventions:
 - Embolizations
 - Peripheral and visceral pseudoaneurysms,

- Uterine fibroid embolizations
 - Tumor chemo-embolizations
 - Pre-operative tumor embolizations
 - Arterio-venous malformations
 - G.I. bleeds
 - Angioplasties
 - Arterial
 - Venous
 - Stent/Stent Graft Deployment
 - Peripheral and visceral
 - Arterial and venous
 - IVC Filter Deployment
 - Arterial and Venous Thrombolysis
- c. Non-Vascular Interventions:
- Biliary Drainage and Stentings
 - Nephrostomies and Stentings
 - Sympathiolysis
 - Radiofrequency Ablations
 - Biopsies, Abscess Drainages
- d. Weekly clinical interaction with vascular surgeons, interventional cardiologists and plastic surgeons.
- e. Also was in charge of Emergency Interventional Radiology at K.E.M. Hospital.

C. Membership of Clinical Societies:

- a. Indian Society of Vascular & Interventional Radiology (ISVIR)
- b. International Society of Endovascular Specialists (ISES)
- c. Vascular Society of India (VSI)
- d. Association of Medical Consultants (AMC)

Administrative Assignments

A. Department Administration & Conference Management:

- a. Organized, conducted and performed procedures for training of junior interventional radiologists of India in the BARD Training Program, South Asia for interventional endovascular procedures. Modules 2 & 3 which were held in K.E.M. Hospital, Mumbai, India, in October 2001 & March 2002.
- b. Member of the organizing committee of ISVIR 2001 held in Mumbai, India in December 2001.

- c. Chief Registrar of Radiology Department, K.E.M. Hospital from July 2000 – July 2003 which involved management of residents, department functioning and coordinator of academic meetings.
